Greetings from the Beatrice Mays Scholarship Fund!

First and foremost, we'd like to extend our heartfelt gratitude to our steadfast supporters. It's because of your generosity and belief in our mission that we've been able to make a positive impact on the lives of numerous college students.

As we step into our 36th year, we take pride in reflecting on the scholarships we've granted and the lives we've touched. With your continued backing, we've expanded our horizons and now support even more local students in their academic journeys.

Our commitment remains strong, and our mission clearer than ever. We're reaching out to you once again, not just for financial support, but to further connect with our community, especially our past beneficiaries. The essence of our mission is not just funds—it's the profound impact we can make collectively.

For 2023, we've set an ambitious yet achievable goal: raising \$5,000 by December 31, 2023. Together, we can make this vision a reality and show our students how much we appreciate their commitment to education.
